

IPS Bunker

The IPS game is used with 1 IPS system that includes 10 lamps, plus 1 additional lamp. (sold separately)

Who will be the winner of the battle in IPS Bunker?

The IPS Bunker provides an exciting game, with the interactive spots distributed in the inflatable space. This allows you to challenge the players by running back and forth and hitting their own spots as quickly as possible. The design of the bunker is really cool and will surely attract your customer's attention!

Easy to transport and set up within 10 minutes

The IPS Bunker is easy to transport and can be set up quickly in around 10 minutes. The IPS system can be ordered separately. The IPS Bunker has space for 11 spots. The product is delivered in as a set with a blower, transport bag and clear instructions from us.

High quality and multi-stitched

JB inflatables are reinforced and stitched on several points and are made of strong, high quality PVC. They are therefore durable and easy to keep clean. The inflatable comes with a 5-year warranty. Deliver a great experience to your clients with the IPS Bunker!

Buy this Interactive Bunker and give your customers the day of their lives!

Just like over 15,000 customers, also choose JB

Do you know why JB has been making people worldwide jump for joy for more than 15 years? Because our team of designers, developers and logistics staff delivers unique inflatable attractions in a grand way! Customers are therefore assured of our professional service and delivery. They also call us "creators of greatness."
