

Modular Obstacle Course Surf 13,5M

The 13.5 meter obstacle course is available in several themes and can be expanded to more than 19 meters!

Our 13.5 meter long obstacle courses are perfect for your customers who are looking forward to a competition! Who will be the first to reach the other side of this inflatable obstacle course? Crawl, run, jump, climb and slide on the double course in Surf theme. The 3D objects in the obstacle course are perfectly designed to fit well with the theme of an inflatable.

Modular obstacle course

This obstacle course is a wonderful product: it is completely surrounded by nets and therefore meets the latest safety guidelines. The course consists of two separate inflatable parts, making it easy to handle and transport. Furthermore, the obstacle course can be expanded with the Jumping Balls, so that you can create an obstacle course of more than 19 meters! The inflatables come with blowers, anchoring material, transport bags and a clear manual. In short: a complete package for a complete experience.

For years optimal playing pleasure

The quality guarantees years and years of use, as the product has been strengthened and stitched on several points. All our products are of course made from strong, high quality PVC. For that reason they are durable and easy to keep clean. With this product you opt for years of optimal playing pleasure. Buy this inflatable obstacle course with Surf theme and give your customers the day of their lives!

More than 15,000 customers also chose JB
