

Giant Bouncy Castle

Tons of fun on the Giant bouncy castle

Place for no less than 250 children, 40 metres long and 20 metres wide: the largest bouncy castle in Europe is produced by JB! The number of play elements on this giant bouncy castle is impressive: 8 slides, 2 climbing towers, inflatable 3D animals, fun obstacles and obstacle courses.

Can be custom made

The Giant bouncy castle is a beautiful inflatable with all kinds of land and sea creatures in it. From a shark to a giraffe and from an elephant to an octopus: you'll find them all on this bouncy castle! Would you prefer a different theme? The bouncy castle is completely customizable, with your ideas and colours incorporated. The giga inflatable comes with 10 blowers, anchoring material, transport bags and a clear manual.

Quality

JB products are reinforced at several points and stitched multiple times and are made of strong, high quality PVC. This makes them durable and easy to keep clean. Because of this, you will have years of optimal playing pleasure with this product.

JB: A household name for more than 15 years.

JB has been making people all over the world jump for joy for over 15 years. Often literally. Our team of designers, developers and logistics staff deliver unique inflatable attractions in a grand way! Customers are assured of our professional service and delivery. They also call us creators of greatness.
