

# Bubble Park Rainbow

## Endless fun with the JB Bubble Parks

The Bubble Park in theme rainbow is equipped foam output so that you could quickly fill the boarding with foam by quickly installing and turning it on. The shape of the boarding ensures that the as much foam as possible stays inside of the boarding. Children are going to have a great time playing inside in the Bubble park with foam. The Bubble Parks are very easy and quick to place on a lawn in the backyard and therefore also very suitable for children's parties.

## Safe and innovative JB Bubbles system

JB Inflatables invests a lot of time in developing innovative and safe products. One of such products is JB Bubbles products. The products are ideal for a quick and easy set-up of a foam party, for example in your backyard. Unlike other foam machines, this JB Bubbles generator has no electrical or rotating parts, so children can play safely and freely with the products. When using this product, we recommend using it on a soft and non-slip surface such as grass or beach sand.

## Great rental possibilities

JB Inflatables continues to develop so that we can support you as a rental or event agency with innovative products and the best possible service. Thanks to its low investment costs and high rental value, JB Bubbles is ideal for expanding your range. Exciting? Then take a look at our specially compiled Package Deals. As an extra service we offer free promotional material in the form of visuals and videos. This way you not only have new, cool products in your hands, but you also don't have to think about your promotion anymore!

## JB Bubble Liquid

The JB Bubbles products need not only air, but foam as well. JB Bubble Liquid is the solution for perfect foam. Use 1 bag of JB Bubble liquid per 70 liter JB Bubble Machine. Simply fill the bubble machine with water, add 1 bag of Bubble Liquid, stir, cover the barrel and the foam party can begin. An average play time per filling of Bubble Machine is 30 to 60 minutes.. When the Bubble Machine is empty fill it up again and enjoy playing further. Endless fun!
