

Obstacle course Superblocks 9m

~~This obstacle course is a real eye catcher!~~

Is your party or event going to be spectacular? With this 9 meter obstacle course, any party will become a success. Let kids compete in agility and determine the ultimate obstacle course master. This can be done by running, jumping, climbing and crawling. Who gets to the other side first? The obstacle course is full of beautiful images and 3D objects that fit the super blocks theme.

~~Set up in just 10 minutes~~

One of the great advantages of this obstacle course is that you can set it up within 10 minutes. In addition, this inflatable is easy to transport due to its compact rolled up size. You get not only the inflatable, but also a blower, anchoring material, a transport bag and a clear manual. This gives you everything you need for a beautiful experience.

~~Reinforced and multiple stitching~~

The obstacle course is reinforced at several points. The multiple stitching and the strong, high quality PVC ensure long use of our products. This makes them durable and easy to keep clean. We supply them with a 5 year warranty. This ensures that you will have years of optimal playing pleasure with this product.

Buy this inflatable obstacle course in super blocks theme and give your customers the day of their lives!

~~We have already had more than 15.000 customers worldwide jump for joy, often literally!~~

Do you want to experience the joy of jumping in a grand manner? Would you like to experience that too? Then rely on our professional service and delivery. Then you will notice why we are called 'creators of greatness'.
