

Catch the stick Farm

Feel the tension rise!

A true classic and still an extremely exciting game: catch the stick is always fun. Test your reflexes – how fast are you? Participants have to try and catch as many sticks as possible when they fall down one by one in a random order. But... when? This means participants have to be at the ready and must have fast reflexes. Fun-filled times guaranteed with this nostalgic game.

Sets up within 5 minutes

The Catch the Stick game is easy to set up and ready for use within 5 minutes. The frame is airtight, which means it only has to be inflated once and is then ready to be used without a blower.
