

Jungle World 20x10m Bouncy Castle

The kids will experience a fantastic day!

With this giant of a bouncy castle they can crawl, jump, climb and slide in, children will have a wonderfully great day! The Jungle World is completed with various 3D animal objects. This gorgeous playground is developed by our own design team and it is completed with an intriguing variety of fun images in a matching theme the children come across during play. In addition to a several slides, this enormous playground also boasts a variety of obstacles such as pillars, a tunnel to crawl through and various fun 3D objects to crawl under. It also comes with a tower the children can use to climb all the way to the top. It goes without saying that the walls of the climbing tower are not higher than the bouncy castle itself to ensure children cannot jump out.

Set it up yourself

You can do it without needing help, you can easily set up the jungle world yourself within 20 minutes, for instance during large-scale events. The inflatable attraction consists of three parts, which makes it easier to transport, set up and take down. We have thought of it all, so you do not have to. The jungle world comes as a complete package and it is conveniently supplied including blowers, anchoring material, a transport bag and a clear manual.

Colourfast 9x9 thread PVC

We offer premium quality, you can rely on us doing just that. Our inflatables have several reinforced tension points and are multiply stitched. The strong, high-quality, colourfast 9x9 thread PVC is very durable and easy to keep clean. Therefore, the jungle world comes with a 5-year warranty, which allows you to guarantee your customers years of optimum playing fun.

Purchase this unique jungle world and deliver the experience your customers will remember as the day of their lives!

Well over 15,000 customers in 15 years
