

Maze Corn

Can you find the quickest route out of the maze?

A maze is a fun quest for young and old. Measuring 11 meter by 9 meter, the maze can be used all year round, unlike a corn maze in a field. Challenge your customers and give them a day to remember. Who finds the right route the quickest and is first at the exit?

Sports & Games

You can easily set up the corn maze within 10 minutes, for example, during a children's party, neighbourhood party or other festive activity. It comes complete with blower, anchoring material, transport bag and manual. All products are reinforced at several points, stitched multiple times and are made of high quality PVC. We offer professional service and delivery. You get 5 years warranty on this inflatable. So years of fun are guaranteed.
