

Soccer Goal red

A practical and easy to use small-sized soccer goal!

This small-sized soccer goal is super fun for use during, for instance, a sports day! The goal is available in the colors red, green and blue. The goal is completed with material that comes with a great soccer animation print. The material itself has various holes, each with their own score. It is very practical for practising shooting skills without the need for a goalkeeper! The soccer animation print can be removed, which means it can also be used as a regular goal with the size of an indoor soccer goal. It is a fun and challenging soccer game for young and old alike!
