

#### Towards the finish line like a caterpillar

Work as a team, plan tactics and most important: have a lot of fun. That is what this caterpillar game is all about. It makes for a hilarious part of a hexathlon, for instance, and is a great new item for your assortment! This game is easy to play as well: its aim is for participants to make their way to the finish line inside a large caterpillar-like crawl tunnel. Since teamwork is a must in this game, consider using this for a family weekend, a teambuilding event, either a bachelor or kids' party - the fun tubes are available in blue and red.

#### A very quick start

This caterpillar game will be a familiar sight for many people, because it is very commonly used for a hexathlon – who knows, they may have even taken part themselves. A major benefit for the organising team is the fact that this game is very easy to set up. All you have to do is mark out the start and finish lines and take the caterpillar tubes out of their transport bags and you are all set to go!

#### Premium quality by JB and an extensive warranty

All products by JB have several reinforced tension points and are multiply stitched. These caterpillar tubes are no exception! They are made of strong, high-quality PVC to ensure they are durable and easy to keep clean. In addition, we provide a 5-year warranty and a repair service for all our products.

Purchase these rental items for hexathlons, they will definitely bring many a cheerful moment. A guaranteed success!

#### JB: 15,000 enthusiastic customers in 15 years

For well over 15 years JB has added to the festivities of more than 15,000 people around the world. Our team of designers, developers and logistic staff supply unique hexathlon items. Moreover, with us you are always assured of service and a high-quality delivery! It is for good reason our customers tend to call us 'creators of greatness'!
