

Jumping bag Blue

A hexathlon is not worthy of the name without a sack race

No hexathlon without a sack race! This typical, festive party number is as simple as can be, but always guarantees lots of fun and laughter. Old-fashioned fun to simply enjoy. Who is the fastest and makes it to the finish line first? Who crosses the finish line without falling? If necessary, the bag race course can be made harder to overcome, for instance by introducing obstacles. Or what about a bag race relay? It is suitable for a variety of occasions, so why not allow children visiting a party, or colleagues enjoying a team outing, hop around like their lives depend on it!

Please note: price per piece!
