

Space Race Game

Buy inflatable game

This Space Race game is a fantastic inflatable game that works with floating balls. The constant air from the cones keeps the balls floating in the wind. The idea is to transfer the ball from one cone to the other and then blow the ball into the basket at the end. Who transfers all the balls to the other side without dropping them? The first player to get all his balls into the basket wins. You can play this inflatable game in a team and one against one.

Inflatable game with solid quality

The Space Race game has strong quality and comes with a blower, anchoring material, a transport bag, and a clear manual. This way, you can enjoy this inflatable carefree. Moreover, it is easy to clean. With this inflatable game, you have a product that can be enjoyed for years.
