

Football Golf Boarding

Score!

The football golf boarding is a fun football game that trains the kicking skills to boot. This game will ensure football players will aim their shots more accurately! The football golf boarding comes in three parts. The middle part can be used for football golf by shooting the ball and sinking it in one of two holes. Both side walls have a point shooter covering with a variety of skill levels. The football golf boarding is also fun to play with three players at the same time. Take turns in using the various parts and aim for the highest score after all options have been played. Try to improve your kicking technique and aim your shot accurately!
