

Tilting wall

Run and tilt!

This inflatable tilting wall by JB-Inflatables provides your customer with a very special additional attraction for a hexathlon. You can use it as a stand-alone tilting wall, but it can also be included in, for instance, an obstacle course. It is ideal for use during a town event, neighbourhood party or an event held by a neighbourhood association. Or consider using it for a teambuilding event, a children's party or a themed party. The aim of the game is for the participants to run and hit the wall of the attraction as quickly as possible and at such speed that it automatically tilts, allowing the player to continue running. Spectacular and hilarious!

All set to start? Go!

Setting up this game is easy to do. It goes without saying JB-Inflatables conveniently supplies everything you need to include this running game in your hexathlon product range. To even add to the convenience we include a transport bag and it goes without saying it also comes with a blower and anchoring materials.
