

Modular Obstacle Course Jungle - Pole Dodger

Create your unique modular obstacle course with the Jungle Pole Dodger

Find your way to the exit in the wild jungle! The Pole Dodger is an obstacle course element with many challenges; the course is filled with pillars and exciting components. In this section, you make your way to the exit... or perhaps to the next part of the obstacle course? The more elements, the longer the course. The Modular Jungle Obstacle Course - Pole Dodger consists of a single piece that easily connects to any bouncy castle and other obstacle course parts from JB. A challenge suitable for all ages!

Easily order obstacle course components online

With an additional part on an inflatable obstacle course, you can create a unique obstacle course in no time. The more elements, the longer the course. You can expand the parts on, among others, the 13.5 and 19-meter obstacle courses. By merging and combining them with a JB obstacle course, you create your unique inflatable obstacle course. All obstacle course elements are delivered complete with a blower. It is made of high-quality PVC material, making it easy to clean and suitable for many users. This ensures years of fun with your bouncy castle!
