

Modular Obstacle Course Crocodile - Jump Platform

Create your unique modular storm course with the Crocodile Jump Platform

Are you looking for the perfect addition to your storm course? Climb, scramble, and bounce on the fantastic Jump Platform in Crocodile theme! Thrills guaranteed – after conquering the climbing object, take a free fall down to safely land on the airbag. The Modular Crocodile Storm Course - Jump Platform consists of one part that easily connects to any storm course bouncy castle and other storm course parts from JB. A challenge suitable for all ages!

Easily order Obstacle Course components online

With an extra component on an inflatable storm course, create a unique obstacle course in no time. The more elements, the longer the course. You can expand the parts on, among others, the 13.5 and 19m storm courses. By merging and combining with a JB storm course, you create your unique inflatable obstacle course. All storm course elements are delivered complete with a blower. Made of high-quality PVC material, it's easy to keep clean and suitable for many users. Enjoy years of fun with your storm course bouncy castle!
