

Snowman with hat

Winter time? This snowman will leave his hat on.

Big carrot like nose, nice scarf around its neck and a nice, smart hat on his head. By renting this snowman your customer is more than ready for the winter time. Many companies want to score extra sales at the end of the year or at the beginning of the next. And draw extra attention to their store or building. Then they can use this mega-sized (5 meters high) snowman. But of course this inflatable laughing mega snowman can also be used for other things. For example at an ice skating ring, or at a winter fair.

Large snowman, set up within 5 minutes

This large inflatable snowman will arrive at your destination in no time. Setting up the snowman takes less than 5 minutes, especially if when customer reads the clear manual. The anchoring material, transport bag and blower Are Of course included in the package.

Standard at JB: 2 year warranty

We strengthen all our inflatables on several points and they are also stitched multiple times. This also goes for this snowman, which is made of strong, high quality PVC. That makes it sustainable and easy to keep clean. We also offer you 2 year warranty and repair service on all our inflatables.

Buy this mega-snowman that will create a festive winter. It is probably a success number!

15,000 enthusiastic customers in 15 years for JB
