

Aqua Run Polar Bear 9m

Create your very own North Pole with this cool pool run

In this case finding yourself face to face with a giant polar bear is not dangerous at all, if anything it is great fun! You can see it from a distance, this distinctive obstacle course. It has fun 3D objects kids can use to crawl over or under and comes with a slide at the end of the run. Deliver the experience for a memorable day.

Safe play is paramount

For years, JB has designed and manufactured inflatable water attractions that can safely be used by everyone. We provide an approved inspection certificate (NEN-EN 15649:2009), a blower, a log book and a clear user manual for all water games. Every water attraction comes with several anchor points that have to be fastened with appropriate anchoring materials to ensure the object stays in place. It is everything you need in a complete package for a fantastic experience!

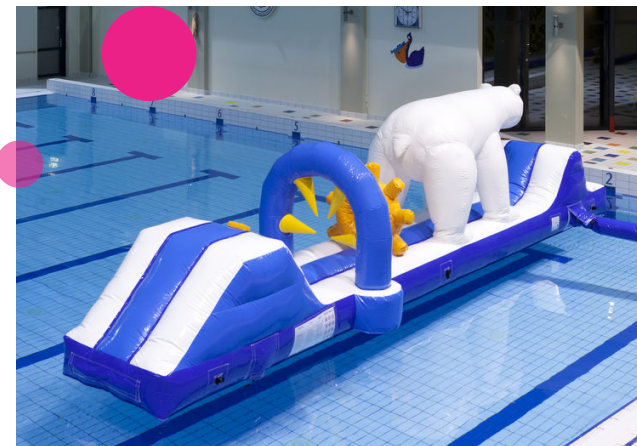

Our premium quality comes with guarantees

All JB water games are made of strong, high frequency welded PVC material of 900 gr/m2. This is how we guarantee the quality of our products. The material has a useful protective coating that is resistant to influences of chlorine and other water properties, which means you will purchase a durable product that is easy to keep clean to boot. We have thought of everything. The obstacle course comes with a 1-year guarantee.

Purchase this eye-catching Polar Bear Pool Run and deliver the experience kids will remember as a great day!

Rely on JB, join more than 15,000 customers

For over 15 years, JB has made people around the world jump for joy. That's right, more often than not literally! We are proud of our team of designers, developers and logistic staff, because they supply unique inflatable attractions in a grand way! That is why our customers are assured of our professional service and delivery. They tend to call us 'creators of greatness'.
