

Aqua run Mega Marine 17m

Playing on an XL run

With this extensive water obstacle course there is more to the adventure than just the obstacles - it comes with an additional competition element. The double climbing wall and double lane slide allows you to organise a competition for the people visiting your pool. The various large obstacles create a memorable playing experience on this incredibly long run of no less than 17 metres.

Approved inspection to guarantee safety

For years, JB has designed and manufactured inflatable water attractions that can safely be used by everyone. We will provide you with an approved inspection certificate (NEN-EN 15649:2009), a blower, a Bravo air pressure gauge, a log book and a clear manual for all attractions. Each of them comes with several anchor points that have to be fastened with appropriate anchoring materials to ensure the object stays in place. Let's get the party started!

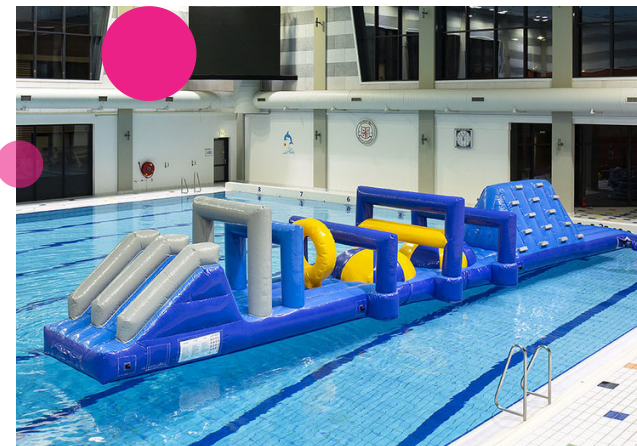

Rely on JB's high product quality

All our water games are made of strong, high frequency welded PVC material of 900 gr/m². This is our way of guaranteeing the quality of our products. In addition, the material has a useful protective coating that is resistant to influences of chlorine and other water properties. This ensures the products are durable and easy to keep clean to boot. The Obstacle Run Marine XL comes with a 1-year warranty.

Purchase this 17-metre long Obstacle Run Marine XL for use in a pool and deliver a memorable experience for the people visiting your pool.

More than 15,000 customers also opted for JB

JB has made people around the world jump for joy for well over 15 years now. That's right, more often than not literally. Our team of designers, developers and logistic staff supply unique inflatable attractions in a grand way! Thanks to them our customers are assured of our professional service and delivery. That is exactly why they tend to call us 'creators of greatness'.
