

This simple banner speaks for itself. It will immediately be clear that someone is celebrating her 50th birthday! In the Netherlands a Sarah figure, or in this case a banner, is commonly used to indicate that a woman has reached the 'golden age'. Like all products, the banner is made of high-quality PVC, which means you can rely on it to be durable. Each corner of the banner has an eyelet, allowing you to put it up as you like
