

Disco speaker

No party without this disco dome speaker! We'll be happy to supply a BT speaker with built-in mixer/amplifier module and MP3 player in a durable ABS enclosure. Choose unlimited flexibility in use and positioning thanks to BT technology. It can also be used as a stand-alone unit. Perfect for mobile applications and completed with plug-and-play installation. This 2-way bass reflex system also features an amplifier module with line and microphone inputs, tone control and integrated handles. It is also equipped with a speaker mounting top hat for tripod use. Party on!
